One touch of nature makes the whole world kin.

— Shakespeare

Dedication

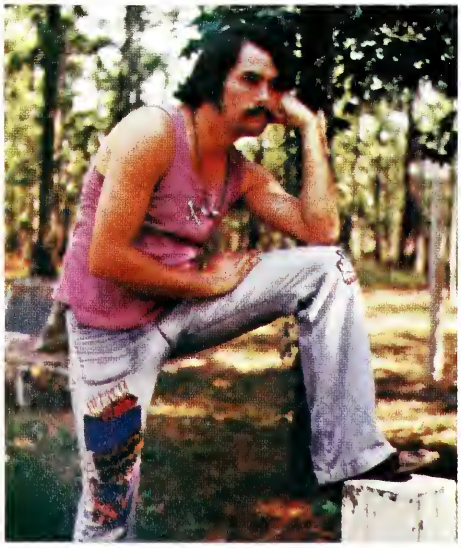

There is one man who has helped us immensely and, because of his never-ending desire to educate students, will continue to help us in our future endeavors.

He is a master of English and a conqueror of humor, effectively relating and combining both in his teaching. He is a man who makes good use of the art of satire by applying it in his classroom.

He is a man who can control the heartbeats of many with the appearance of his well-known "black suit" on test days.

This man is one among few who deserves a dedication in his honor. For he is a dedicated individual. We proudly dedicate the 1973 Lion to Mr. A. Perry Gaither III.
